Buy and sell used equipment with confidence

## **Sell used equipment.**

We work with you to obtain your time requirements as well as your conditioning expectations in the sale of your used equipment and then determine the best avenue to remarket your trucks. It may be retail, wholesale or exporting, or a combination of all; whatever will achieve the highest returns to you for the sale of your used assets.

The value of used trucks and other equipment can spike or plummet in a matter of months. AmeriQuest offers profound and unique industry knowledge that can optimize the returns in the disposal of your used assets. In the face of continuing changes in the economy, equipment manufacturing, and EPA standards, it pays to be as informed as possible.

## **Buy used equipment.**

We can match you with the right low mileage used trucks, tractors, or trailers to suit your budget and fleet requirements at a true wholesale price. View our current inventory at [ameriquestusedtrucks.com](http://ameriquestusedtrucks.com), or contact us directly with your specific needs.
