TRANSPORTATION SERVICES

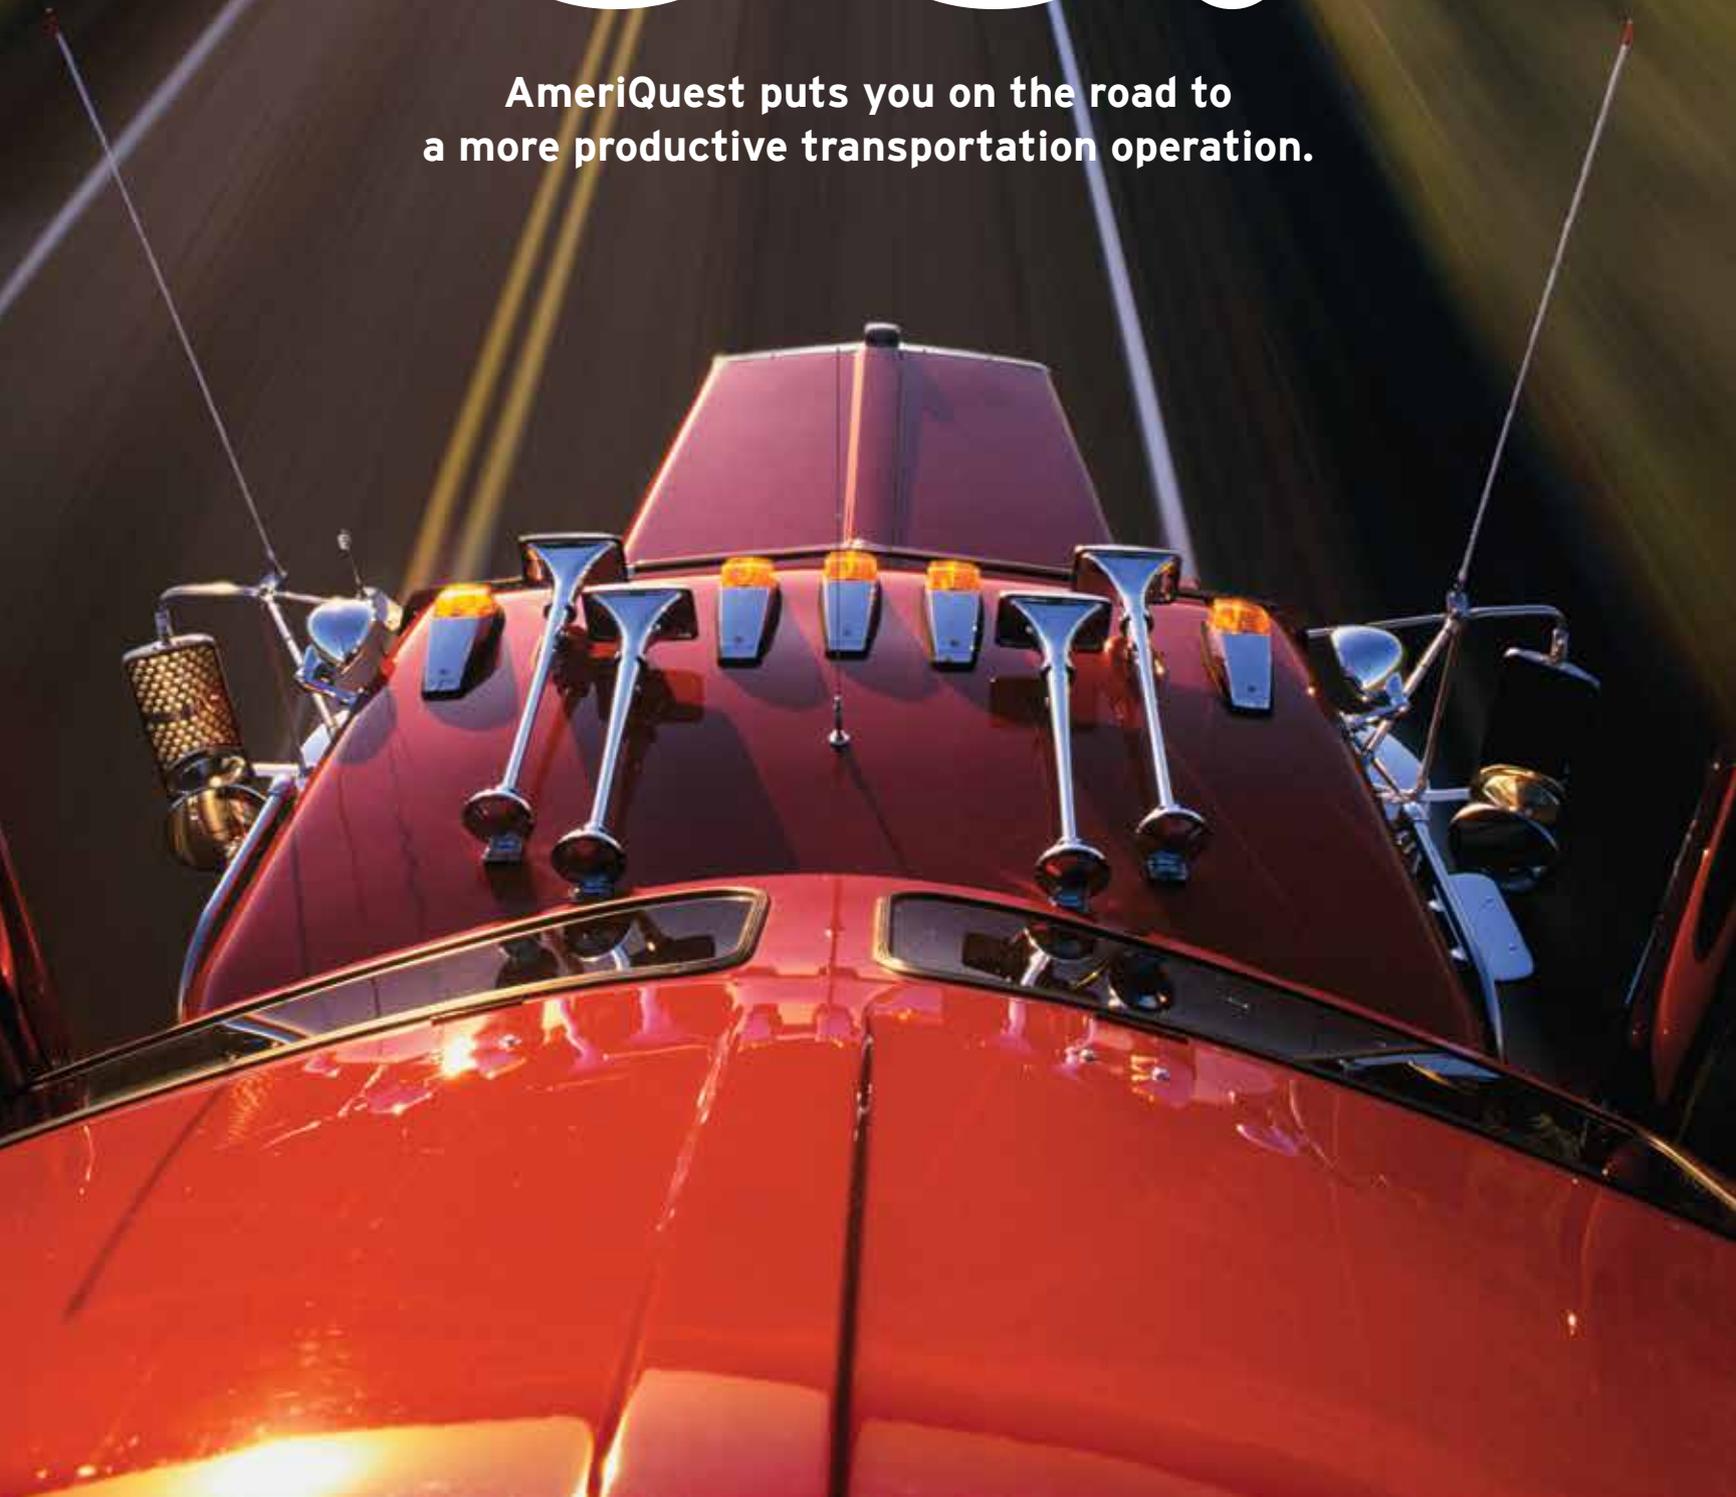

READY

GO.

**AmeriQuest puts you on the road to
a more productive transportation operation.**

As the premier solutions company serving the commercial trucking industry, AmeriQuest offers a comprehensive menu of services that drive out costs and maximize efficiency across every aspect of your transportation program. With more than 700,000 vehicles in our network, we provide our customers with expert advice, group purchasing buying power, strategic fleet management services, processing efficiencies, and more.

Group Purchasing Buying Power

Customers save up to 20% on tires, parts, and supplies. With more than 700,000 vehicles in our network, AmeriQuest's group purchasing organization gives fleets the same buying advantages of a large corporation.

Robust Used Truck Inventory

Look to ameriquestusedtrucks.com for one of the largest databases of low mileage used trucks, tractors, or trailers to suit your budget and fleet requirements.

Fleet Management and Strategic Financing

How long should you operate your equipment? What financial structure best meets your business goals? What equipment will produce the lowest overall operating cost? AmeriQuest's extensive experience and broad knowledge of the industry answers these and other fleet planning and financing questions, leading you to increased productivity and lowered overall operating costs in excess of 15%-20%.

Buying Advantages

Warehouse Services

AmeriQuest's Material Handling programs extend the advantage inside the warehouse by leveraging the aggregated buying power of our customers nationwide to deliver a 15-45% savings on forklift equipment, parts, and service.
